## DISCOUNTS

For price of 10 bulbs, divide the 100 price by 9. 25 bulbs at the 100 rate. 250 or more bulbs of one kind and size at the 1000 rate.

For 1000 rate multiply 100 price by 9.

5000 bulbs, one variety, 10% discount.

5000 bulblets, one variety, or 10,000 bulblets, assorted varieties, 10% discount.

250 bulblets at the 1000 rate.

Minimum item of bulbs or bulblets 20 cents.

Bulbs and bulblets cannot be combined for discount. There are no more favorable terms, prices or discounts than here outlined. This is the only price list I issue. It is released in January and March. Items sold out are omitted from the March list, which will be sent on request.

## PREMIUMS

Extra bulbs, my selection, not to exceed 25% of your order, will be included in your shipment for the names, new to my list, of your friends that grow Glads. These will be selected with a view to avoid duplication of varieties that you now have.

## REGAL LILY SEED

The Regal, a very hardy lily of wonderful beauty often produces as many as fifteen blooms from a large bulb. The large white blooms, that show a tint of pink on the outside of the petals and a sulphur shading in-side, are very fragrant. Seed can be sown in the open ground in early spring, and with a little care, will reach a size suitable to reset the following spring; nearly all will flower the second year. I have no bulbs to offer this season, but have a surplus of fine hand-cleaned seed which I am pleased to offer at the following prices: One ounce \$1.50; one-quarter pound \$5.25; one pound \$20.00.

ALL STOCK OFFERED AND ORDERS ACCEPTED SUBJECT TO PRIOR SALE

## Special Offers in Small Lots

These prices are for 24 bulbs or less, one size and variety. If you desire 25 or more bulbs, one size and variety, from this list deduct 10% from prices as given. Bulblets are per 100 unless otherwise specified.
